

MoneyThumb Salesforce Release Notes

1. Version 7.0

1.1. Package URL

The following shows the link to the latest package:

<https://login.salesforce.com/packaging/installPackage.apexp?p0=04tKA000000gPDf>

 **Warning:** Always test the installation in a Sandbox environment first.

For installation details, see the MoneyThumb Salesforce Installation, Configuration, and User Guide.

1.2. Enhancements

- Added Utilities section in Scorecard. This section shows a list of payments made to utility companies found in an application.
- Added Debt Summary section in Scorecard. This section shows a monthly summary of loan withdrawals by type.
- Web search fields now display on Scorecard.
- DTI/DSCR fields now display on Scorecard.
